

Annual Report 2021-22

Our progress report provides a snapshot of student's achievements. It focuses on standardized tests, educator's classroom projects, quizzes, discussions, presentations, class participation and many more on a daily basis. A combination of formal and informal assessments provides the most accurate representation of the skills and concepts our students have mastered.

Our Vision

To recognize, encourage and polish talent of all kinds, with an effort to stretch the creative capacity of students. Above all as special aim, to inculcate self discipline, integrity and moral values in the young minds of the future citizens of India. The School will provide the best environment for our students with the help of trained, sincere and dedicated teachers.

Our Mission

- . To provide continuous stimulation for dynamic & holistic development of children.
- . To support and contribute in the social cause of facilitating the development process of grooming young minds by upholding every child's right to education with a strong belief in inclusive education.
- . To create an environment for smooth transition of the child from the informal homely atmosphere to formal learning atmosphere.
- . To work in partnership with parents in their challenging and rewarding journey on various aspects of childhood and parenting.

When one looks back at the past years, there is a satisfying feeling & clear evidence in our stability and sustainability, both in academics, & administration that is not only in scholastic, but in co-scholastic areas, like events hosting sports meet, annual gathering and many more.

This session saw varied events and happenings that touches us, inspired us and taught us. We set standards and goals for ourselves and strived to achieve them.

Online Study during Covid-19

Time never stands still, so in skyline we believe in flowing with time. We promptly responded to the pandemic by **going online**. In record time, our teachers and students moved from physical spaces that provided them with much-needed social interactions, to being seated behind a screen. All this we achieved with limited resources adopting Google Class rooms and Google Meet.

Celebrations:

Life is a celebration. We just need persons to celebrate it.

To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur.

- **National Festivals:** Independence Day, Republic Day, and Kargil Vijay Divas were celebrated with due reverence for our motherland with patriotic songs and dances.
- **School Celebrations :** Investiture Ceremony was celebrated in a befitting manner and responsibilities were given to tall the elected students to develop the sense of Leadership
- **Religious Festivals :** All religious festivals like Ramzan Eid, Muharram, Dussherra, Diwali, Ganeshotsav, Guru Nanak Jayanti etc are celebrated throughout the year with due respect to the religious sentiments of our students.
- **Other Celebrations:** The school gives due recognition to significant global events and celebrate these days. Some of these events are International Women's day, Hindi Divas, Yoga Day, Onam, World Peace Day, Shivaji Jayanti, Road Safety Day, Save our Planet Day, Girl Child Day, Science Day , Birthday celebration of tiny tots, blue day, green day, Grandparents day celebration, Inter house and inter school matches and many other activities were organized.
- "Say no to plastic" and "Fit India Campaign" was observed in school premises. As Summer Camp environment allows children to learn new skills in safe and nurturing environment, this year our school conducted online summer camp where students learnt about Arts, Music, Calligraphy and Dance etc. This experience of summer camp can have a lasting psychological impact on the development of child.
- **School excursions** are important and effective means of motivating students and engaging them in active learning experience. Since last two years due to pandemic we tried to have virtual tours with the help of Google Art and Culture and give our students some learning experience.

Success is the sweet result of hard work combined with the desire to excel and unfailing dedication.

CBSE Results March 2020-21(Class X)

Our last five batches of std 10th students left no stone unturned to make school proud. Total 25 students appeared The Class X batch of 2020-2021 out of which 06 passed with 90% and above, 07 above 80% and 7 above 70%. The school gained cent percent results.

We congratulate these students for their excellent performance and extend warm wishes for their bright future.

Understanding Learning Disability:

We take special interest to diagnose the academic backwardness of children in various areas. This year we called Dr. Jaya Shivrakar a famous child psychologist from Nagpur to identify the various learning disabilities among the children. We provide remedial classes for weak students.

Bridging Learning Gaps:

We also worked on preparing class wise syllabus to bridge the learning gaps in students due to online classes. Here we stressed on reading, writing, communication and taught them basic concepts of all subjects. And great amount of progress was seen among the students.

Environment Education

It is a part of the day to day lessons being taught and the aspect is stressed at regular intervals in the Assemblies.

The students of Eco Club are in the making of a Herbal Garden in the School Campus.

The School tries to facilitate the following towards its concern for environmental protection:

- a) The school has a green look with a lot of plantation all around.
- b) “Say No to Plastics” Campaign is regularly carried out at school as well as in the village where the school is located.
- c) News Paper envelopes prepared by students are regularly donated at nearby Medical Shops.
- d) Encouraging use of Paper bags and bags prepared from used clothes.

Preparing Bio-compost from waste generated from School.

Staff :

The most valuable resource that any school can have is its staff.

Our commitment to provide all students with quality learning experiences will help us to move ahead. Our institution has a strong team of 20 teachers in all capacities, who are dedicated, inspiring and are like skill potters who transform our students into quality citizens.

Continuous professional development of teachers in the school, encouraging innovations and leading teaching-learning processes in the school significantly influences the school's overall culture for learning. Teachers are regularly upgrading their skills by attending the Capacity Building trainings organized by the CBSE Training Cell.

To develop competitive spirit among the students we conduct Olympiad Examinations in the subjects Science, English, and Mathematics & Information Technology.

To install the habit of extensive reading we motivate students by providing them with an opportunity to read in the morning assembly. We have a well equipped library with around 3000 books to quench the thirst of knowledge of the students.

We believe that every Year brings changes with God Almighty's blessings. As we are passing through an unprecedented crisis situation in the past 2 years, we are confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education of our students and contribute to the society in general.
